INTERNATIONAL REBELLION

**We are facing an unprecedented global emergency.
The Government has failed to protect us.**

The UN has warned us that if we do not act immediately, there will be global food shortages, mass starvation and social collapse across the world.

*Time is running out.
We need to Act Now.*

Extinction Rebellion has three demands of the UK government:

- 1/ **TELL THE TRUTH** *by declaring a climate and ecological emergency, working with other institutions to communicate the urgency for change*
- 2/ **ACT NOW** *to halt biodiversity loss and reduce greenhouse gas emissions to net zero by 2025*
- 3/ **Create and be led by a NATIONAL CITIZENS' ASSEMBLY** *on climate and ecological justice.*
